Annual Calendar

Presidential Theme: ***Create Lasting Impact***

Updated: 21 September 2026

This year's theme: "***Create Lasting Impact***", encourages all of us, as people of action, to work together to make a meaningful difference in our communities and around the world. It builds on the ways in which members have strengthened their connections to each other and to their communities to ***Unite for Good***, the 2025-26 message.

Now, Create Lasting Impact will harness those connections and inspire our members, participants, and the public to take collective actions that lead to a sustainable difference — globally, locally, and personally.

Our Club calendar of events is always evolving with new community events to support and opportunities to serve. We update this long-range calendar two or three times a year. The current calendar dates and information are always in our Club emails that come out a few times each month.

We have color coded some of the entries to help highlight them. Our community service and Support events are in **LIGHT BLUE**, District 5320 events are in **GREEN** and our two major fundraising events (the "all hands-on deck" events) are in **DARK RED**.

Please mark your calendars so you can join in the fun and "*service above self*" opportunities that our club provides. If you are interested in attending the District events, please reach out to President Anne Silavs.

Rotary members are effective problem-solvers who create solutions that last because we invest in relationships. We know how to mobilize our networks, and we are constantly learning from our experiences as we participate in clubs, volunteer for projects, and manage our careers.

Together, we take action to create lasting change in our communities and around the world.

Our Mission:

> *The **Rotary Club of Los Alamitos, Cypress & Seal Beach** empowers youth and strengthens our community by championing education, leadership, and service. We support non-profits and meaningful programs that inspire positive change..*
